DESCRIPTION

Some addresses impress. This one astonishes. Welcome to a true masterpiece perched on the golf course with sweeping, panoramic views of holes 16, 17, and 18, which are replicas of holes 11, 12, and 13 of Amen Corner at Augusta National. These are among some of the best views in the neighborhood, stretching across rolling fairways and endless sky. This is not just a home. It's an experience. Every detail has been curated for comfort, scale, and legacy. Upstairs, each bedroom is a private retreat, complete with its own ensuite bath and balcony, many of which are interconnected, perfect for morning sunrises or quiet twilight reflections. An elevator makes the upper level effortlessly accessible. This home includes a rare 2,000+ sq. ft. air-conditioned basement—ideal for storage, gym, wine cellar, or media room. The heart of the home beats in the chef's kitchen, boasting abundant space for culinary exploration and entertaining. A generator offers peace of mind, while expansive storage solutions ensure that beauty is never compromised by clutter. Whether you're hosting a crowd in the upstairs game room, savoring a quiet moment on one of the multiple balconies, or watching deer stroll the greens at dusk, this home offers something that can't be built—it can only be felt. Situated on a cul-de-sac, this home is located within the highly coveted, 24-7 guarded and gated community of The Estates at Tour 18. This neighborhood is served by award-winning Argyle ISD and is just minutes from Liberty Christian School. Conveniently close to DFW Airport for effortless travel. 5600 Masters Court isn't just a place to live. It's a place to arrive, stay, and never want to leave.
