DESCRIPTION

Welcome to Casa Murada—The Walled House—a Canyon Creek mid-century modern rebuild with luxury finishes and smart-home features. Taken to the studs in 2025, it balances authenticity, innovation, & sophistication featuring 2 family rooms, hearth room, dining room, study, 4 en-suite bedrooms, & pool bath. Walls of glass blur house & garden, framing a 2,000 sq ft courtyard with smart-home firepit in front & a resort-style renovated pool with smart-home lighting & heating in back. Casa Murada's indoor-outdoor lifestyle is accentuated by 2'x4' tile covering the heart of the home, the courtyard porch, & the pool-side patio. • The chef's kitchen has Basalt slab counters & backsplash, custom slim-shaker cabinetry, 8' island with 8' skylight, & professional appliances including 68-in. refrigerator-freezer, 48-in. range, & double-drawer dishwashers. Adjacent to the kitchen is a hearth room with gas fireplace. The butler's pantry—linking kitchen & dining—includes Vintec dual-zone wine cabinet, dishwasher drawer, & bar sink. A walk-in pantry & oversized laundry provide custom storage. • The lower-level primary suite has courtyard access, spa bath with 14' vanity, & 10'x16.5' closet adjoining the laundry. On the opposite end, a large study & a guest suite open to the courtyard & the pool. Upstairs is the second family room with wet bar & Vintec wine cabinet & 2 en-suite bedrooms. All bedrooms & the upper family room are finished in 7.5-in. oak floors. • Casa Murada has a 3-car garage & 2 driveways. All-new mechanicals include 2 high-efficiency smart-home HVAC systems, plumbing, electrical, gas, foam insulation with primary suite soundproofing, smart-home LED lighting, & access technology. • Casa Murada honors mid-century heritage while embracing today's design & function. In the heart of Canyon Creek, steps from the country club & DFW Airport train, Casa Murada is a simple, modern masterpiece capturing the spirit of its era and redefining what it means to be home in Canyon Creek.
