## DESCRIPTION

Welcome to the Texas lifestyle you've been searching for — where wide-open skies, expansive land, and true freedom come together. This exceptional 20-acre property in Crowley offers what so many buyers moving to Texas dream about, yet rarely find: usable acreage, no deed restrictions, and no city taxes — all just minutes from Downtown Fort Worth. Opportunities like this are becoming increasingly scarce, especially in such a convenient location, making this a truly rare offering. The land itself is stunning — open pasture with sweeping views and multiple ideal build sites, giving you flexibility from day one. Whether you choose to renovate the existing home, build a custom ranch estate, design a barndominium, or create a fully equipped horse or hobby property, the possibilities here are wide open. From barns and workshops to riding areas and equipment storage, this property is ready to match your vision. There's ample space for outdoor living, entertaining, gardens, recreation, and future expansion — allowing the property to grow with you over time. Surrounded by other large-acreage tracts, the setting feels private, peaceful, and authentically Texas. And while the lifestyle feels a world away, you're still just a short drive from Fort Worth's dining, shopping, and entertainment, with convenient access to major highways and DFW Airport. It's the perfect balance of country living and city accessibility — ideal for commuters, remote workers, or those relocating to North Texas. Located in Crowley ISD and in a steadily growing area, this property also offers strong long-term value. Unrestricted land near a major metro continues to be one of the most desirable and enduring investments in Texas real estate.
