DESCRIPTION

See to believe! Enjoy this gently sloping lawn onto a rare sandy beach in smooth no-wake water, allowing you to beach your boat and watercraft just a short walk directly in front your home. From there, & from the elevated covered patio that runs the full length of the home, you have amazing views of famed Hells Gate & the surrounding bluffs, with front row seats to the spectacular Fourth of July fireworks, iconic Hell's Gate cliff diving, & serene glassy deep water. Built in 2012 to maximize the water features and efficiently use the interior space, the one-level ranch-style residence offers an open great room, dining, & kitchen with an architecturally compelling vaulted ceiling, anchored by a wall of windows across the length of the home, bringing the lake indoors year-round. Double glass entry doors, beautiful cabinetry, 8' tall doors, rich wood floors, 7" baseboards & 10' high ceilings throughout the home show the home was built to a higher standard. The oversized primary suite features full lake views & the junior master bedroom offers a private en-suite bath; and generously sized bedrooms 3 & 4 share a third full bath. A spacious laundry and pantry room includes a 10' long countertop, washer and dryer, and a second refrigerator, ideal for extra food & supplies for large gatherings. This resort-style property is accessed through an electronic gate at the road and features a concrete circular driveway winding through secluding trees. The garage connects to the home via a porte-cochère, which provides additional covered parking. The outdoor living area is fully equipped with a built-in grill, speakers, and television—perfect for entertaining and watching your family and guests' activities across the lawn and in the water. Keep your boat and waverunners a short ride away at Bluff Creek Marina (let them handle the hassles and expense of boat dock ownership!). All furnishings and water toys are available for purchase, offering a true turnkey lakefront lifestyle.
