DESCRIPTION

Custom home on 24 acres in highly sought after 7 Wires subdivision in Decatur! This 3700 plus square foot home gives you all the mountain feels, tucked away on its heavily wooded lot. The 2 story home features rock and stone facade, beautiful windows, and a large front porch on the first and second story. Inside the home on the first story, you find large gathering spaces, ornate woodwork throughout to maintain the cabin in the woods feel, generously sized eat in kitchen, double sided, stone fireplace and so much more! Venture up the spiral staircase and you have 3 bedrooms on one side of the home and down the hall to the other side you have the master suite with ensuite bathroom, access to the second story balcony, and a separate office space that is open air to the downstairs. In the office is a second set of stairs that takes you into bonus space! Here you have attic space for storage, and above that a lookout at the very top of the home. The property is nearly 25 acres of heavily wooded area with ample wildlife visiting regularly. The property does also have a 40x50 shop with 2 roll up doors, large enough for projects, collectible cars, or to just be a work shop. Close to the house there is a space to park a camper or RV with access to power at the pole and water nearby.
