Welcome to your private retreat in the heart of Prosper, Texas! Situated on 1.79 peaceful acres, this unique 4-bedroom, 2.5-bath home offers the perfect balance of space, privacy, and opportunity—all within the highly sought-after Walnut Grove High School zone. The thoughtfully designed floor plan features a spacious primary suite downstairs, creating a quiet sanctuary separate from the upstairs, where additional bedrooms provide the perfect space for play, and privacy. For those working from home or running a small business, the property features barns with private office space, giving you the flexibility to create a separate workspace. Two separate entrances to the property allow for convenient division between home life and business if desired. Recent updates include fresh interior paint, an impact-resistant roof, and windows on portions of the home, providing peace of mind and added efficiency.
