## DESCRIPTION

Welcome to 2 Parliament Place, a beautiful home where classic charm meets modern comfort in one of Dallas's most exclusive gated communities. Located just a stone's throw from the fantastic shopping at North Park Mall, this home is as welcoming as it is elegant. From the moment you step into the foyer, the stunning curved staircase makes you feel right at home. The main floor is designed for easy living and great conversations, with a layout that flows naturally from the spacious living areas to the dining room. If you love to cook, the kitchen is a total dream—it's packed with high-end Miele appliances, a big center island for gathering around, and even a glass-enclosed wine room nearby to keep your favorite bottles ready for guests. When it's time to unwind, the primary suite is your own personal getaway. It features two walk-in closets, a spa-like bathroom with double rain showers, and a cozy sitting room that's perfect for a quiet morning coffee in the sun. Upstairs, you'll find three more large bedrooms, each with its own private bath, so everyone has plenty of space and privacy. This level also features a second family room—perfect for movie nights or a playroom—and a massive attic that provides all the storage space you could ever need. Beyond your front door, you'll get to enjoy all the perks of a wonderful community. Whether you're looking to cool off in the pool, challenge a neighbor to a match on the tennis courts, or take the kids to the Playground, there is something for everyone. There's even a dedicated dog park for your furry friends! The community grounds are truly a breath of fresh air, featuring peaceful walking paths and multiple water features that make every stroll feel like a getaway. This home is completely move-in ready and waiting for someone who wants to enjoy the very best of Dallas living in a space that feels both grand and incredibly comfortable.
