## DESCRIPTION

Set on nearly one acre along the prestigious Gleneagles Kings Course No. 3 Tee Box, this exceptional golf course estate offers refined luxury and resort-style living in a breathtaking setting, with a private downstairs apartment with a separate entrance and full kitchen, ideal for guests or multigenerational living. A grand entry with double iron and glass doors opens to elegant interiors defined by travertine flooring, soaring ceilings, and impeccable craftsmanship. The living room features a stately fireplace, built-in cabinetry with a wine refrigerator, and a wall of windows showcasing panoramic fairway views. The chic dining room sparkles beneath a designer chandelier and is complemented by a fully appointed butler's pantry. Designed for entertaining, the spacious den includes a walk-in wet bar with a wine closet, wine refrigerator, and ice maker, a fireplace, built-ins, and doors that open seamlessly to the patio. The expansive chef's kitchen centers around a large island and tall counters topped with striking Calcutta marble. Luxury appliances include Sub-Zero stainless steel refrigeration and a Wolf gas cooktop with pot filler and grill. A sunny breakfast nook with a stylish chandelier overlooks the outdoor oasis, and a back staircase adds convenience. The private primary retreat offers a sitting area and a sanctuary-like bath with a freestanding soaking tub, oversized rain shower, and dual walk-in closets. Additional spaces include a sophisticated study with built-ins and a fireplace, and a game room with wood flooring and a window seat. Outdoor living rivals a luxury resort with an enclosed covered patio with remote shades, a stunning pool and spa, expansive green space, and sweeping views of the Kings Course fairways. This is elevated living in one of the area's most coveted golf course communities.
