This stunning home is located in the heart of Monticello and offers five bedrooms, or four bedrooms plus an upstairs study. It features a luxurious primary suite downstairs and a second private primary suite upstairs. The home is thoughtfully designed for both everyday living and entertaining, with two spacious living areas, a light filled formal dining room, a wet bar with an icemaker, and a climate controlled wine closet. Exceptional outdoor living includes a fireplace, a pool and spa, and expansive covered patios that are perfect for year round gatherings. The home has been beautifully updated by the owner with interior design by Joseph Minton.
