DESCRIPTION

Beautifully refreshed home located on a quiet cul de sac in the desirable Greenwood Hills North neighborhood of Irving. This spacious single story property offers approximately 2,137 square feet with 4 bedrooms and 3 bathrooms on a large lot with mature trees and excellent curb appeal. The home has been thoughtfully updated with fresh interior paint, brand new carpet, modern lighting fixtures, and new switches and outlets, creating a clean and updated feel throughout. It features three upgraded and expanded bathrooms including two primary suites, ideal for multi generational living or guest privacy. The main living area offers a welcoming space centered around a cozy wood burning fireplace, while the kitchen provides ample cabinetry and counter space for everyday living and entertaining. The enclosed patio area has been converted into a versatile flex room that can be used as a home office, formal dining area, or additional living space and could also be incorporated into the main living room to create a larger open living area if desired. The oversized garage features a durable epoxy floor, and the property includes a gated driveway with an extended parking area inside the gate that can accommodate up to four vehicles or two trailers in front of the garage, providing excellent space for additional parking, storage, or recreational vehicles. Conveniently located with easy access to Highway 183, Highway 114, President George Bush Turnpike 161, and major commuting routes. The home is located just one street away from Las Colinas and a short drive to the Toyota Music Factory, with nearby shopping including Kroger, Tom Thumb, Target, and Irving Mall.
