DESCRIPTION

Barely lived in, this 2024 custom home by Partners in Building is situated on a premier lot in the sought-after Lakeview Downs community near the shores of Lake Lavon. This expansive single-story residence offers over 5,500 square feet of living space and features a circular driveway and an oversized four-car garage. Positioned on just over one acre of level land, the property backs to a heavily treed greenbelt, providing exceptional privacy and a serene backdrop to the backyard. The open-concept floor plan includes a spacious living area, kitchen, dining space, and formal sitting area. Engineered hardwood flooring extends throughout the home, creating a cohesive and refined aesthetic. The kitchen is well-appointed with an oversized island, double ovens, a commercial-grade range, stainless steel appliances, and a generous walk-in pantry. The primary suite is thoughtfully designed with ample space and a luxurious en suite bath featuring separate vanities, an oversized walk-in shower, and a large walk-in closet. All secondary bedrooms have been expanded beyond the original floor plan and include private en suite baths. A spacious game room with a built-in wet bar connects seamlessly to the dedicated media room. The covered rear patio offers a fireplace and overlooks the expansive backyard, creating a private and functional outdoor living space.
