DESCRIPTION

Welcome to luxury living in the prestigious Fields master-planned community in Frisco, where timeless architecture and modern comfort come together in this exceptional Toll Brothers home inspired by the Truscott plan. A welcoming covered porch opens to a dramatic two-story foyer that immediately sets an elegant tone, flowing into a spacious great room filled with natural light and views of the covered outdoor living area — ideal for both everyday living and elevated entertaining. The gourmet kitchen is thoughtfully designed with a large center island and breakfast bar, abundant cabinetry and counter space, and an expansive walk-in pantry, all overlooking a bright casual dining area. The primary suite offers a private retreat featuring a beautiful tray ceiling, oversized walk-in closet, and a spa-like bath complete with dual vanities, soaking tub, luxe shower, linen storage, and a private water closet. Perfectly designed for flexibility, the home includes a private guest suite off the foyer, a secluded office, and a versatile flex space. Upstairs, a generous loft connects spacious secondary bedrooms — one with an en-suite bath and another with a shared hall bath — providing comfort and privacy for family and guests alike. Additional highlights include a powder bath, everyday entry, centrally located laundry room, and abundant storage throughout. Located within Fields — a premier Frisco destination community centered around PGA amenities, parks, trails, and future retail and dining — residents enjoy an elevated lifestyle in one of North Texas' most sought-after developments.
