DESCRIPTION

There's something special about White Rock. Adjacent to beloved White Rock Valley, the newly designed White Rock Bluffs is a refined enclave blending timeless charm with beautifully crafted luxury homes. Zoned to highly sought-after White Rock Elementary, it's where families plant roots, kids ride bikes until dusk, and neighbors become lifelong friends. Close to White Rock Lake, yet peacefully tucked away, it offers that rare mix of connection and calm. Welcome to 9514 Still Creek Lane — a stunning expression of warmth and refinement by Robert Elliott Custom Homes. With over 5,600 square feet of thoughtfully designed living space, this home feels both grand and gracious. Five spacious bedrooms, each with its own ensuite bath and walk-in closet, create private retreats, while the flowing floor plan makes gathering effortless. The kitchen is the heart: a Wolf six-burner cooktop, oversized Taj Mahal quartzite island, and walk-in pantry ready for everything from weeknight dinners to holiday hosting. White oak floors and dramatic Pella windows flood the home with natural light, creating an airy, elegant ambiance. A dedicated office, cheerful game room, and covered patio set the stage for both productivity and play. The primary suite is a true sanctuary, featuring a marble-wrapped spa bath, soaking tub, separate shower, and an influencer-worthy closet. Additional opportunities within the neighborhood include homes currently under construction, custom build options with Robert Elliott Custom Homes, and available lots where you can bring your own builder. Reach out to explore all the ways to call White Rock home.
