DESCRIPTION

Tucked away at the end of a quiet cul-de-sac in an exclusive one-street community in Southlake, this beautifully updated Colonial-chic home offers a rare combination of privacy, character, and modern luxury on just over an acre surrounded by mature trees. Inside, timeless architecture meets elegant updates. Wood floors, custom lighting, and a soft neutral palette create a warm, refined feel throughout. The open living and kitchen design centers around a stunning, updated kitchen featuring an oversized island, Taj Mahal Quartzite Countertops, built-in beverage refrigerator, and a high-end Wolf gas range — perfect for both everyday living and entertaining. A highly desirable layout includes two main-level bedrooms on opposite sides of the home, each with its own ensuite bath, offering ideal flexibility for guests or multigenerational living. All bathrooms have been thoughtfully renovated with quality finishes and attention to detail. The bonus room office on the first floor can also easily be switched with the dining room as the dining room as doors on both walls. Step outside and discover what truly sets this property apart — a private backyard sanctuary complete with a heated saltwater diving pool, built-in firepit, raised garden beds, and peaceful views framed by old growth oak and elm trees. Major upgrades provide exceptional peace of mind: all windows, HVAC systems, and water heaters have been replaced within the last five years, plus a whole-home Generac generator ensures uninterrupted power during outages. The oversized three-car garage features extensive custom storage designed by Closets By Design. Located less than 15 minutes from Dallas Fort Worth International Airport, with quick access to Texas State Highway 114, premier shopping, and dining — and zoned to award-winning Carroll Independent School District — this home offers the space, privacy, and convenience today's buyers are searching for.
