DESCRIPTION

This beautiful new home by a long-established & well-known builder in the area, features 5 bedrooms and sits on a corner lot close to Mockingbird Elementary School. The house is bright and airy, with an excellent layout and many great features. The kitchen and living area are open and spacious, making it easy to entertain guests. The first floor has lovely hardwood floors and large sliding doors that lead to a big covered patio. The chef's kitchen is impressive, with a large island, double ovens, a beverage fridge, and a large built-in fridge freezer. There's also a walk-in pantry and a mudroom that connect to the two-car garage. Upstairs, you'll find a big game room, three secondary bedrooms, and a primary suite that includes a sitting area and two walk-in closets. The third floor has a guest suite that offers privacy and attic storage space. This home has many extra features, including foam encapsulation, hot water recirculation system throughout the home & an engineered foundation with concrete piers. The builder offers a 1-2-10 warranty through Maverick. Hurry — this home won't last long!
