DESCRIPTION

Alexander Hunt custom home gracefully positioned on an oversized corner lot and wrapped in a timeless Austin stone exterior. A circular drive creates a grand arrival, leading to the three-car garage with a dedicated workshop, ideal for hobbies, projects, or additional storage. Designed with exceptional attention to comfort and privacy, the home features two luxurious primary suites, while every bedroom offers its own private ensuite bath. An additional full bath off the second-floor game room provides convenience for guests and entertaining. The chef's kitchen is a true showpiece, appointed with Thermador commercial-grade appliances, including dual single ovens, an oversized built-in refrigerator, warming drawer, and in-drawer microwave. A 42-inch custom copper sink with commercial-grade faucet anchors the space, while an additional refrigerator in the mudroom ensures effortless functionality for daily living and entertaining alike. A custom-designed wet bar with both wine and beverage refrigerators creates the perfect setting for hosting and gathering. Thoughtfully designed to maximize every square foot, the home offers a rare combination of luxury, functionality, and craftsmanship, with countless custom features and upgrades that must be experienced in person to be fully appreciated. Situated in a quaint custom neighborhood where no two homes are alike, this exceptional residence offers convenient access to everything Dallas has to offer, while providing a refined retreat to enjoy the lifestyle you envision.
