DESCRIPTION

Located on one of Canyon Creek's most iconic cul-de-sacs, this beautifully updated home blends timeless architecture with modern livability. Taken down to the studs in 2010 by 3rd Street Custom Homes. The home features soaring ceilings, recently restored hardwood floors, all new carpet, complete interior and exterior paint and updated windows. This generous floor plan offers spacious gathering areas while still providing comfort and flexibility for a growing family through ample storage spaces. Large windows frame the mature tree canopy that defines the neighborhood and fill the home with natural light. With its quiet setting, architectural character, and A+ location, this home represents the kind of opportunity that makes Canyon Creek one of Richardson's most desirable communities.
