DESCRIPTION

Welcome to this stunning custom modern luxury home by Larry Stewart, perfectly positioned on a coveted corner lot and meticulously maintained by its original owners. From the moment you step inside, rich hardwood floors guide you through a thoughtfully designed open-concept layout filled with natural light and elevated finishes throughout. A private office sits just off the entry, while the expansive living room showcases striking cedar beams and a wall of glass slider doors that seamlessly blend indoor and outdoor living. Designed with entertaining in mind, the home features a stylish wet bar with wine refrigerator and built-in cabinetry, flowing effortlessly into the chef's kitchen complete with Thermador appliances, built-in refrigerator, 6-burner gas cooktop, Miele coffee maker, walk-in pantry, and abundant counter space. Two additional flexible spaces offer the perfect setup for a second office, planning center, or prep room. The first-floor primary suite is a true retreat, offering a spa-inspired bath with soaking tub, separate shower, and dual custom walk-in closets. A secondary bedroom with a full bath on the main level provides ideal accommodations for guests or multigenerational living. The downstairs media room adds even more versatility for relaxing or entertaining. Upstairs, a quaint loft creates the perfect sitting area, leading to two generously sized bedrooms, each with ensuite baths and walk-in closets. Step outside to your private backyard oasis featuring a covered patio, sparkling pool and spa, outdoor kitchen, and inviting living area with fireplace. A charming pergola offers additional seating, creating the ultimate space for year-round entertaining. This exceptional home combines luxury, comfort, and functionality in every detail, an incredible opportunity you won't want to miss.
