DESCRIPTION

Estate Living on Turtle Creek's Most Coveted Block Unit 9G at The Vendome is a 2-bed, 2.5-bath residence spanning 1,683 sq ft within one of Dallas's most distinguished luxury high-rises. The Vendome's French-chateau architecture has long set the standard along the Turtle Creek corridor — estate homes in the sky is not marketing language here, it is an accurate description. Hardwood floors carry throughout. The primary suite is appointed with Carrara marble — a deliberate, premium finish rarely found at this level. A private balcony captures treetop and city views from the ninth floor. Two and a half baths mean guests are never an afterthought. Full-service living includes 24-hour valet, concierge, on-site security, resort-style pool, fitness center, private parking, and a dedicated dog walk. The building handles everything. You simply live. Steps from the Katy Trail, Reverchon Park, Al Biernat's, and the iconic Rosewood Mansion on Turtle Creek. Uptown, West Village, and Knox-Henderson minutes away. Love Field under ten minutes. The 3500 block of Turtle Creek Boulevard is one of Dallas's most prestigious addresses. This is not a compromise between city access and quiet living — it is where both exist at once.
