DESCRIPTION

Perfectly positioned within one of the area's most prestigious communities, this exquisitely remodeled Huntington Home on the Stonebridge Ranch Golf Course showcases a seamless blend of luxury, craftsmanship, and refined designer finishes throughout. The resort-style backyard is nothing short of spectacular, offering sweeping views of holes 27 and 19. Designed for both relaxation and entertaining, it features a stunning pool and spa, expansive covered outdoor living area, putting green, fully equipped outdoor kitchen, and a second-story balcony overlooking the lush fairways. Inside, you're greeted by breathtaking sightlines to the course, refinished hardwood flooring, and an abundance of natural light streaming through all-new custom "Cathedral" windows. The chef's kitchen is a true showpiece, complete with professional Viking appliances, custom cabinetry with soft-close hinges and pull-out drawers, and elegant white quartz countertops. Thoughtfully designed the home offers formal living and dining spaces, along with a private home office behind double doors. The luxurious primary suite serves as a serene retreat, featuring a charming bay window, tiered ceiling, and a spa-inspired bath with an oversized walk-in shower, freestanding soaking tub, dual vanities, and a spacious walk-in closet. Located within McKinney ISD's highly sought-after Glen Oaks, Dowell, and Boyd High School feeder pattern, and just a short walk to the country clubs, this home offers both convenience and prestige. Additional highlights include a dedicated pool bath, fresh interior paint, solid-core doors, hardwood flooring upstairs, generously sized secondary closets, a versatile upstairs flex space (currently used for storage), a new tankless water heater, whole home water softener, upgraded tall baseboards and window casings, and countless other thoughtful enhancements. This is a rare opportunity to own a truly exceptional golf course property where luxury living meets timeless elegance.
