## DESCRIPTION

2016 custom-built East Dallas Craftsman combining thoughtful design, quality construction, and a highly livable floorplan. Curb appeal stands out with lush landscaping, gas lanterns, and a covered front porch perfect for gathering. Inside, a gallery-style entry leads to the heart of the home with backyard views. The kitchen is designed for everyday use and entertaining with marble counters, shaker cabinetry, Wolf and Sub-Zero appliances, two Asko dishwashers, double wine refrigeration, and a butler's pantry. The main living area features a fireplace, built-ins, and expansive windows bringing in natural light. The first floor includes formal living, dining, study, and a private 1st-floor suite with ensuite bath and large walk-in closet, ideal for guests or multigenerational living. Upstairs, the primary suite includes marble finishes, separate vanities, freestanding tub, double shower with body sprays, and a custom closet connecting to the laundry room. Automatic blackout shades provide full light control. Additional living includes a game room and a fully built-out media room with acoustic paneling, textiles, and a 120-inch screen—designed for sound separation. Media room may serve as a fifth bedroom. Secondary bedrooms share a Jack-and-Jill bath with separate vanities. Outdoor living includes a covered patio, wood-burning fireplace, turf, mature landscaping, and mosquito misting system. Additional features include smart lighting (keypad or device), whole-home sound, security system, Energy Star certification, tankless water heater, radiant barrier, and rear-entry garage with alley access and electric gate.
