DESCRIPTION

As you approach the front porch you are greeted by a grand entryway with a soaring 19-foot ceiling. Off the foyer is a two-story home office enclosed by French doors and a private guest suite with a walk-in closet and full bathroom. Entering into the family room you are welcomed by ample natural light from the wall of windows. The kitchen features an island with built-in seating space, ample counter space, and a walk-in pantry. The dining area is embraced by windows and provides access to the covered backyard patio. The primary bedroom is off the main living areas and provides an abundance of light. French doors open into the primary bathroom which boasts dual vanities, a garden tub, separate glass enclosed shower, and two walk-in closets. Upstairs you are greeted by a large game room with tall ceilings. For privacy, the media room can be closed off with French doors. Secondary bedrooms with ample storage and full bathrooms complete the second level. Finishing off the floor plan is a utility room and dual mud rooms for the three-car split garage.
