DESCRIPTION

Step into this beautifully designed 5-bedroom, 4-bathroom home in the highly sought-after Stone Hollow community, where thoughtful layout and timeless features come together. The breathtaking entryway welcomes you with soaring ceilings and a stunning staircase that sets the tone from the moment you walk in. Overlooking the main living area, a charming Juliet balcony adds architectural character, while the living room fireplace creates a warm and inviting focal point. The kitchen is designed for both everyday living and entertaining, featuring granite countertops, abundant counter space, and a cozy kitchen nook. A formal dining room and dedicated home office provide flexibility for both hosting and working from home. The spacious owner's suite offers a private retreat with large windows that fill the room with natural light and a tray ceiling for added elegance. The ensuite bathroom includes a walk-through shower, jetted tub, and separate his and her closets. With two bedrooms and full bathrooms conveniently located downstairs, the layout is ideal for guests or multigenerational living. Upstairs, you will find three additional bedrooms, including a Jack and Jill bathroom, along with a generous loft space and a media room with double doors, perfect for movie nights or game days. Additional upgrades include an EV outlet in the garage, water softener, reverse osmosis system, and recently re-stained garage doors. This home offers space, functionality, and standout design in one exceptional property.
