DESCRIPTION

Nestled in the heart of beautiful Fairview, this stunning residence offers the perfect blend of refined luxury and casual comfort. Set in a cozy cul-de-sac on over an acre of meticulous landscape, she welcomes you with timeless architecture and exceptional curb appeal. The interior features abundant natural light, designer finishes, and a fabulous entertaining layout with true indoor outdoor living. The chef's kitchen is truly the heart of the home with premium appliances and seamless flow into the main living and dining areas. We love the back kitchen as the place to prepare for parties and family gatherings. A true retreat, the primary suite offers a separate coffee bar and patio, and access to the incredible backyard. All secondary bedrooms are spacious and have ensuite. The possibilities upstairs are limitless with a space large enough (and separate enough) to be a little apartment, or spectacular game room. Saving the best for last, the expansive back patio overlooks the sparkling pool with travertine deck and heavily treed backdrop. The firepit under the canopy of the trees adds the perfect touch for cozy nights under the stars and family s'more memories. Behind the trees, there is still plenty of flat grassy area for all sports or a playground. Wait there's more... this home is part of one of Texas' very best public school districts, Lovejoy ISD. The true uniqueness of Fairview is that you feel the beauty and peace of country living, yet have access to all restaurants, retail and major highways within 5 minutes.
