DESCRIPTION

THE definition of a MASTERPIECE that meets the power of a sanctuary—a Preston Trails estate by architect Robbie Fusch & builder Hawkins Welwood. Every surface has been meticulously remodeled & upgraded with the finest materials & brands money can buy. De Gournay hand-painted wallpaper adorns the dining room wall like wearable art, while a John Richard chandelier & coordinating sconces cast an ethereal glow in the living room. The Palmer Industries custom wet bar & half bath set add functional design. CUSTOM cabinetry—thoughtfully redesigned in both the kitchen & primary bath—showcases marble, limestone, & quartzite in a symphony of natural elegance. Second primary bedroom up features a luxurious bath with tub and shower. Custom silk drapes & motorized shades frame every window vista, California Closets deliver bespoke organization with two primary closets, & a Control 4 sound system. Dallas' premier landscaper, Harold Leidner, designed garden style grounds and window vistas. Expansive hardwood flooring & frame televisions blend seamlessly into the design narrative. The kitchen is a culinary haven outfitted with Sub-Zero, Wolf appliances, a Shaw farm sink, Thermador coffee maker, warming drawer & a showstopper built-in banquette. Venetian plaster ceilings & art lights transform the library music room into a gallery-worthy retreat, while the primary suite also with Venetian plaster walls showcases a wall of windows overlooking a sparkling pool & the neighborhood's verdant greenbelt. Nestled in guard-gated Cambridge Place located on the north side of Preston Trails Golf Course & Country Club—& Bent Tree nearby. Custom drapery & shades. Worried about storage? Seven closets downstairs! Here, style, quality, & attention to detail converge in a way rarely found for sale. Clever cloffice (closet & office) meet for a fun space. Garage: Epoxy floor, organization cabs, refrigerator & an attic storage lift. Custom brick German smear slurry creates a crisp exterior facade.
