DESCRIPTION

Nestled in the Little Preston Hollow neighborhood close to ESD and other top private schools, this contemporary masterpiece offers an unbeatable location and exceptional high-end finishes. Spanning over 5,600 square feet, this thoughtfully designed home exudes modern elegance and sophistication. Wide plank flooring, custom tile selections, stunning lighting and soaring vaulted ceilings enhance its luxurious appeal. Picturesque windows bring the natural light into the downstairs living areas. The gourmet kitchen features a commercial-grade gas range, built-in refrigerator, large island with waterfall edge, wet bar and a walk-in pantry with quartz countertops. Also located on the first floor is the primary suite, a tranquil private retreat with a spa like bathroom and custom closet with an additional washer and dryer hookup. Four guest bedrooms upstairs, with one serving as an optional second floor primary suite, all have generous walk-in closets. More entertaining space upstairs includes a second floor living room and a third-floor game room, wet bar and bonus room that could function as a sixth bedroom if desired. An elevator-ready layout ensures long-term convenience. Seamless indoor-outdoor living with meticulously landscaped grounds provides the perfect setting for relaxation or hosting guests. Moments from top schools, fine dining, and premier shopping, this home redefines modern luxury living.
