DESCRIPTION

Elevated elegance in East Kessler. Nestled in the highly sought-after East Kessler community, this meticulously crafted new build by Kessler Hill Custom Homes delivers luxury, architectural precision, and serenity on one of the neighborhood's most exclusive hillside streets. Built on an elevated lot with pier-and-beam construction, reinforced concrete retaining walls, and professionally designed landscaping, the home combines enduring strength with dramatic curb appeal. Inside, a soaring 20-foot-ceiling living room with white-oak floors and floor-to-ceiling windows sets a tone of light and sophistication. The gourmet kitchen features a massive quartzite island, commercial-grade range, and a custom butler's pantry ideal for entertaining. An elevator connects all levels, including a second-floor lounge with two ensuite bedrooms and a terrace showcasing iconic Dallas views. The top floor offers a flexible multi-purpose suite with a built-in bar — perfect for media, game, or guest use. The primary suite on the main level is a private retreat overlooking the pool and treetops, complete with a sitting area, spa-inspired bath with dual vanities, soaking tub, and custom walk-in closet. The outdoor living space is a showpiece — a lush, elevated courtyard with resort-style pool and mature landscaping that create both intimacy and grandeur. Just a short walk from Kidd Springs Park and minutes from Bishop Arts and Trinity Groves, this home blends the tranquility of hillside living with the energy of urban Dallas. Move-in ready with builder home warranty.
