## DESCRIPTION

Beautifully designed three-level home with some of the best downtown views you'll find—especially from the third-floor patio, complete with a built-in grill and plenty of space to relax or entertain. The layout is both functional and comfortable, with all three bedrooms tucked away on the second floor for privacy. The main living area is open and inviting, flowing easily into a spacious kitchen centered around a large quartzite island and custom paint-grade cabinetry; a great setup whether you are hosting or just enjoying a quiet night in. On the first floor, you'll find a dedicated office along with an enclosed private patio, offering a quiet outdoor space for relaxing or working from home. Upstairs, the third level features a cozy media room with direct access to the outdoor patio, just perfect for unwinding or entertaining while taking in the views. The home is fully equipped with smart features, including automated shades, an alarm system, and custom shutters throughout. It's also pre-wired for a future elevator, offering added flexibility down the line. Conveniently located with quick access to the Dallas North Tollway and I-35, making it easy to get anywhere in the city. A great opportunity for low-maintenance living in a prime location with standout views. \*\*\*Furniture is available for purchase separately, making this an easy, turnkey option if desired.
