DESCRIPTION

Every detail of its construction tells a story: the shell is crafted from exquisite blue pine sourced from Utah and Colorado, while the trim work is made of Western red cedar, and the staircase is fashioned from striking Ponderosa half logs. Inside, the home reveals an open-concept design, soaring ceilings, and expansive floor-to-ceiling windows that bathe the interiors in natural light. Beautifully crafted wood floors and ceilings, along with majestic stone fireplaces, add a sense of warmth and character to every room. **PROOF OF FUNDS REQUIRED PRIOR TO SHOWING.** The primary suite is a haven within itself, offering a cozy sitting area with a kiva-style fireplace, two walk-in closets, built-ins for added convenience, and private access to a home gym. Additionally, the suite opens to a loft space with limitless potential. Adding to the allure of this property is a separate 1,629 sqft apartment. Complete with a living room featuring a fireplace, a dining room, a fully equipped kitchen, a spacious bedroom, a full bathroom, and a powder room, this additional space offers versatility for guests or extended family. A 4-car garage with ample storage space further enhances the practicality of this home. This property is an extraordinary blend of natural beauty, thoughtful design, and unparalleled craftsmanship, inviting you to create your own retreat in a setting like no other
