DESCRIPTION

Rare opportunity for mostly one-story living in this former builder's model home, offering both elegance and functionality. The main level features 3 bedrooms, a media room, office, and exercise room — providing the convenience of everyday living all on the first floor. Upstairs is a spacious game room, bonus room, and private 4th bedroom, perfect for guests or additional entertaining space. Private exterior entrances enhance functionality and flexibility for guests or dedicated work space. The living area showcases beam ceilings, travertine, and hand-distressed hardwood flooring. The kitchen is designed for entertaining with stainless steel appliances, a built-in refrigerator, and an oversized island. The primary bath includes a walk-in shower for ease and comfort. Step outside into your private backyard oasis, complete with a cabana, large pool, and spa. The outdoor living space features a gas fireplace, fire pit, and lush landscaping that provides exceptional privacy — all set on over a one acre corner lot! Twin Coves Park, a popular destination for hiking and cycling, is walking distance from the home.
