DESCRIPTION

Dreams have an address — and this is it. Nestled within the prestigious Southern Hills of Keller, where nearly an acre of lush, manicured grounds sets the stage, 1216 Pine Hurst Drive welcomes you into a world of effortless luxury and timeless warmth. From the hand-forged wrought iron entry door to the soaring wood beam ceilings, every detail was chosen with intention and every room tells a story of craftsmanship, comfort, and extraordinary living. A private courtyard entry leads into an intentionally designed floor plan that flows beautifully from room to room. The chef's kitchen is anchored by an oversized island with extended seating, double ovens, a 6-burner gas cooktop, and a built-in refrigerator. Mirroring the kitchen, the grand family room features custom wood beams, a floor-to-ceiling stone fireplace, and multiple French doors opening to the outdoor oasis. Entertain effortlessly with a dedicated wine room, a fully appointed wet bar with ice maker and copper sink, a game room with custom oversized sliding doors, a tiered media room, a guest casita with kitchenette, and two additional bedrooms — one complete with custom built-in bunks and a loft. The primary suite is a true sanctuary — vaulted beam ceilings, a see-through stone fireplace, and a spa bath featuring hammered copper sinks, a copper soaking tub, a sitting area with beverage bar, and a custom walk-in closet with island. Step outside to your private resort: a covered outdoor living area with floor-to-ceiling stone fireplace, an outdoor kitchen with attached grill and Green Egg, a custom paved patio with fire pit, a heated pool and spa, a lit pickleball court, and so much more. Major systems have all been updated — three HVAC units, two tankless water heaters, pool heater, and roof all replaced within the last three years. A Versalift attic lift, floor safe, and hidden safe niche complete this one-of-a-kind offering. Zoned for top-rated Keller ISD. Welcome home.
